Sir,

I am writing to express my interest in the chief Financial position at IEDC TKMCE . When I read the position description, I was excited to apply since I have always wanted to be a part of the IEDC team since my first year . The thing which attracts me to IEDC is that it provides new platform for new innovative ideas like vector .

In previous capacity as a execom member of ISTE TKMCE ,I was able to coordinate with our execom team to take ISTE TKMCE to the next level (a feast designed for the enlightenment of necessary skills that needed to be developed for students of their branch).But we were able to complete the decided step. I was also among the financial committe of ASTRA and also the program coordinator of all workshops of ASTRA.

I have also to develop excellent communication and conflict resolution skills. I am proficient in MS Excel, Word, PowerPoint,. I am also a part of ASTRA web development team .Recently I had completed the course of data handling

Having worked on many teams and as a people-oriented person, I am very enthusiastic about the possibility to work with a diverse team while managing sole responsibilities as an CFO.

Sincerely,

VISHNU B VINOD
