Sir/maam,

I am currently pursuing my B-Tech Civil Engineering first year. As I am in the procedure of finding the right job, I identified your organisation and find it the right place as I will have the scope of being a part of the technical team, where I can execute my knowledge, which is my area of interest.

I have done 2 month internship at a construction company in kochi. I have no achievements i college so far but i have always saw myself as an leader, an entrepreneur. I have an affinity towards running a company myself. Hence i grab whatever opportunities thrown at me.

I would like to be working under your team learning all that i can and gain valuable experience in this venture . I am a fast learner and smart worker and will be a huge asset to your team.

I would like to be a part of your team, where I can utilize my skills, knowledge & talent. This would be the right opportunity and I strongly believe that if given a chance I will prove myself and contribute to the growth & success of the organization.

The enclosed resume provides more details of my skills and achievement track record. If you agree that I would make a valuable addition to your team, please feel free to call me at 9207756431 or email me at mathewvar180@gmail.com. I know you are busy, so thank you for your time, and I look forward to speaking with you.

Thank you for your consideration.

Sincerely,  
Mathew
