Dear Sir ,

Through the medium of this letter I would like to express my sincere interest in joining the position of an E cell head at IEDC TKMCE. Being an enthusiast of the community myself, I always try keep up to the happenings in the entrepreneurship sector

Success stories concerning start ups has always been fascinating to me and hence i do research a lot on the new developments in this sphere

Through the years I had the privilege of leading many Clubs,groups and school houses. As far as I am concerned these opportunities helped me in acquiring ample leadership and managerial qualities. I strongly believe that I would put all my skills and experience to good use at IEDC

I have experience in conducting annual exhibition and other fairs back in my school days and also headed a team for creating a project for Estella 20 which was organised as a part of Hestia 20

My skills include :

- Programming in C++
- Automation using Python
- Web development using JavaScript

I believe I can be of good service to IEDC TKMCE and can do my best as an execom member and hoping to acquire some good experience and knowledge myself throughout the journey

Sincerely,

Midhun GG
