

To,
The CEO
IEDC TKMCE

I am writing to express my interest of working in core executive committee of IEDC TKMCE. I am a member of IEDC from the very first year in the college. I have learned about IEDC and it's remarkable works in our college.

I am currently a member of society of automobile engineers, ASME ,TPC Tkmce ,and serves as representative for career guidance and placement unit. Being a part of Baja 2020 and upcoming Baja 2021 event I have experience in working as a team.

I hope to work for IEDC to better myself and also to run this cell in the best way we can. My ultimate dream of being an entrepreneur has brought me towards iedc. This same interest influenced me in taking management subjects as elective. IEDC seems to be the best platform to take me there. I do believe that this is the best platform for any student to get assistance to Kickstart their own company as many have already done in here.

Thank you for your consideration

Sincerely
Adil Hussain
