To Whom It May Concern

As a persistent admirer of the remarkable activities being done by the Innovation and Entrepreneurship Development Cell of TKMCE, I am delighted to submit my application to the post of Chief Information Officer. I am a second-year student from the Department of Electronics and Communication Engineering.

I have always appreciated the support given by IEDC TKMCE to the budding entrepreneurs and inventors of TKMCE and I hope an opportunity to work with this team will eventually help me improve my potential. I have been a part of the documentation team of IEEE SB TKMCE and NSS TKMCE for the past 2 years and have volunteered for many programmes conducted in the college.

I would welcome the opportunity to discuss with you the requirements for the above-mentioned post in detail and share my ideas.

Thanking you,

Sincerely,
Hida Dileep
