Even though I don't have such great technical skills , I prefer IEDC so that I will be able to learn much of it. Moreover , since this position requires the ability of inducing interests into once mind ' I believe I can do that , always been a good leader .

Recently after completing an online course on Data scientists Toolbox , I found a major desire on exploring further .

If anything is well taught , I grasp it too easily.

INTERESTS : exploring new things , social services

PASSION : Civil service

MOTIVATION : Life

Major Achievements : Nil.

Past Experience : Nil
